

Newsorthy

01/06/10: In his second State of the State address, Governor David A. Paterson today outlined his plan to rebuild New York through firm and decisive steps – including fiscal and ethics reform and an economic development plan that puts New Yorkers back to work.

01/12/10: Governor David A. Paterson today announced a series of State agency and public authority mergers and consolidations, as well as actions identified by his Office of Taxpayer Accountability, which he will advance in his 2010-11 Executive Budget to save taxpayer dollars.

01/21/10: Governor David A. Paterson today kicked-off a statewide workforce development initiative by directing Empire State Development (ESD) Chairman and CEO Dennis M. Mullen and Department of Labor (DOL) Commissioner M. Patricia Smith to work with businesses across New York on how they can take advantage of New York's business development programs.

01/27/10: Governor David A. Paterson today announced an unprecedented clean energy project that will more than quintuple the amount of solar energy currently produced in New York State, and will foster the development of solar technologies, support public sustainability efforts and stimulate the economy with new clean energy jobs throughout the State.

01/28/10: The New York State Chief Information Officer and Office for Technology (CIO/OFT) held a roundtable discussion to learn more about cloud computing and its potential use for modernizing the state's enterprise architecture.

01/28/10: The New York State Chief Information Officer and Office for Technology (CIO/OFT) announced a tentative contract award to Tapfin Process Solutions (TAPFIN), a wholly owned subsidiary of COMSYS, to manage a network of subcontractor staff augmentation providers to deliver IT consulting services for staff augmentation to New York State Agencies.
